Occupational Health & Safety (OH&S) Objectives and Targets

The business has a duty to ensure compliance to the regulatory framework, manage its OH&S risks and to provide the necessary organisation and commitment to meet its obligations. The senior management team is committed to monitoring and improving its OH&S performance within the context and constraints of the business. It will promote its objectives and will respond positively to enquiries and suggestions from both inside and outside the company.

Where possible it will seek to

- Provide and maintain a culture of honest incident reporting.
- Provide the necessary resources to ensure a safe place to work.
- Provide an effective way of working that minimises risk of injury.
- Provide the necessary information, training, and supervision for everyone on site.

Objectives

- Maintain our good sickness and injury performance.
- Remove any significant risk to personnel from new processes.
- Minimise risk of injury to personnel in their daily activity.
- Continually improve our processes.

Targets (Annual)

- |  |    |
|--|----|
| • Number of fatalities                         | 0  |
| • Number of RIDDOR reportable incidents        | 0  |
| • Number of accidents reported                 | ≤2 |
| • Number of days lost through accidents        | 0  |
