

Declaration of Compliance: RoHS (People's Republic of China)

Peppers Cable Glands Ltd designs, manufactures and supplies industrial and hazardous area cable glands, thread adaptors, stopping plugs and associated accessories to British and International Standards.

This statement is made in regard to China's Ministry of Industry and Information Technology (MIIT) regulatory requirements governing the administrative measures for the restriction and use of hazardous substances in electrical and electronic products, commonly known as China RoHS2.

Peppers declares that its products are not listed in the scope of the China RoHS 2 "The Standard Management Catalogue of Limiting the Use of Hazardous Substances in Electrical and Electronic Equipment" and therefore the legislation is not applicable to all of the Company's product types (industrial and those certified for use in hazardous environments).

Our products are therefore not required to be marked in accordance with Standard SJ/T 11364-2014.

Christopher Martin
