

## Declaration of Compliance: TSCA (USA) : Negative Certification

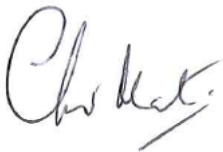

Peppers Cable Glands Ltd designs, manufactures and supplies industrial and hazardous area cable glands, thread adaptors, stopping plugs and associated accessories to British and International Standards.

This statement is made in regard to the Toxic Substances Control Act 1976 (USA) as amended by the Frank R. Lautenberg Chemical Safety Act of the 21st Century (2016) of the United States of America which addresses the production, importation, use, and disposal of specific chemicals.

The US Environmental Protection Agency issues significant new use rules (SNURs) under the Toxic Substances Control Act (TSCA) for chemical substances. Peppers does not manufacture substances covered by rules, as of the date of this statement.

Peppers Cable Glands Ltd only supply products which are classified as articles intended for industrial use in Hazardous Areas and other industrial settings. We certify that all chemicals used as alloying elements of metals or elements of compounds used in the articles are not subject to TSCA.

In this Declaration, "article" is as defined in 19 CFR Section 12.120(a)
